

## Thistle Ridge Equestrian Centre LLC Riding Liability Release

I, the undersigned, (parent/guardian for a minor) agree to riding instructions and/or horse training by Thistle Ridge Equestrian Centre, and any current instructor. I understand that riding horses is an inherently dangerous activity and shall not hold Thistle Ridge Equestrian Centre, its owners, instructors, manager, or any employee or associate liable for damage or injuries that may occur as a result of participating in this activity.

I understand that horses are large, unpredictable animals by nature and, although Thistle Ridge Equestrian Centre and its employees endeavor to provide safe equipment, facilities, and horses, events may arise that are unpredictable and therefore I accept responsibility for my activities around the animals. I shall adhere to the rules of Thistle Ridge Equestrian Centre, and understand that failing to adhere to those rules can result in injury and termination of riding instruction and training. If I feel that any activity is beyond my ability I shall advise the instructor immediately.

Any rider or horses at Thistle Ridge Equestrian Centre is required to wear a riding helmet and closed toe foot wear with a heel. Thistle Ridge Equestrian Centre, and independent instructors, and any employee of Thistle Ridge Equestrian Centre has the discretion to decline lessons or training for anyone not adhering to these safety requirements or any rule of Thistle Ridge Equestrian Centre.

If a rider, student, or trainee is deemed to be unsafe then lessons or training will be terminated and remainder of paid lesson or training will not be refunded. It will be the discretion of the instructor or trainer to determine when a person is deemed unsafe based on the rules set forth by Thistle Ridge Equestrian Centre.

My signature (parent/guardian for a minor) signifies that I have read, or had them read to me if unable to read, understand and have been given a copy of the facility rules. I have read, or had read to me if unable to read, and understand the information in this release.
